The Budget and the Revised Budget have been prepared in accordance with the directions contained in letter No. F. 569—37/ R. O. II, dated the 12th June 1937, of the Secretary to the Hon'ble the Resident in Mysore, in connection with the Budget Estimates for 1937—38 and also the instructions issued in the Hon'ble the Resident's Notification No. 68 dated the 2nd June 1938 in amendment of the Budget Rules.

2. The following is a review of some of the noticeable variations under the several heads :—

The small increases under "Salaries and Allowances" are due to increments and the general revision of the scale of pay of clerks from Rs. 30—1—35, Rs. 35—1—40 and Rs. 40—1—45 to Rs. 30—2—40, Rs. 40—$2\frac{1}{2}$—45 and Rs. 45—$2\frac{1}{2}$—50 in accordance with the M. C.'s resolution No. 8 dated the 30th January 1941. As the revised scale were sanctioned by the M. C., only after the appendix to the Budget was prepared, the old scale is allowed to stand with the necessary additions for the increases under the respective heads. The alterations will be carried out in due course.

I: A. Management—Ordinary—Page 6. Salaries and Allowances.

The increase under this head is on account of the following items:—

	Rs.	a.	p.
(1) Additional provision made on account of the revision of scale of pay of clerks	495	0	0
(2) Due to the provision made for the additional Animal and Vehicles License Clerk and increased pay for the Examiner according to M. C's resolution No. 10 dated 2—3—1940	455	0	0
(3) Increments	50	0	0
(4) Bonus to the Revenue Office Staff in connection with the revision of assessment	303	0	0
	1303	0	0

1. A. Management—Ordinary—Page 6. 2. Contingencies.

The increased provisions under this head both in the revised Budget and the Budget are due to the increase in the prices of Stationary articles. Even this provision in the Revised Budget Estimate is found insufficient, as additional expenditure to the tune of Rs. 600 has already been incurred under this head and there are requisitions for a further expenditure to be met under this head. The figure in the Revised Budget Estimate has been raised to Rs. 4,300.

I. A. Management—Ordinary—Page 6.—2. Contingencies—Printing:—The allotments in this case have been reduced to Rs. 2,500 from Rs. 3,000 both in the Revised Budget and the Budget, in accordance with the actuals and due to the low rates for printing charges.

I. A. Management—Ordinary—Page 6.—2. Contingencies—Other Items.—The increase of Rs. 300 under this head (from Rs. 2,388 to Rs. 2,688) in the Revised Budget and of a further sum of Rs. 300 in the Budget is due to the increased rate to the Daily Post from Rs. 100 to Rs. 125 per month in the current year and Rs. 150 for next year.

I. C.—Education—Ordinary—Page 16. Salaries and Allowances—Masters and Superintendents :—The increase is due to the provision made for four additional teachers as recommended by the Budget Standing Committee in addition to the provision for usual increments. The Educational Sub-Committee which met later has, however, recommended that the proposal to appoint additional teachers be deferred. However, provision for four extra teachers in case of necessity is recommended by the Standing Committee.

I. C. Education—Ordinary—Page 16. Salaries and Allowances—Clerks and Servants:—The increase is due to the provision made for an additional clerk to the Office of the Educational Superintendent and revised scale of pay for the present clerk.

A sum of Rs. 1 500 has been provided for opening a Boy's School at Nilsandra.

Another provision of Rs. 400 has been made for the supply of uniforms to Scouters.

I. D. Public Health—Ordinary—Page 18.—Hospitals and Dispensaries—(2) (a) Contingencies:—Medicines:—The increased provisions in the Revised Budget and the Budget are due to the increase in the cost of medicines supplied by the Medical Stores.

The amounts provided in the Budget for this year towards the contribution payable for the maintenance of the T. B. Sanatorium and construction of staff quarters has been transferred to the next year. The provision for maintenance has been reduced to Rs. 3,500 as the Sanatorium is not likely to be started earlier than July 1941, and the provision of Rs. 4,200 made in the current budget has been omitted in the revised estimate.

I. D. Public Health—Ordinary—Page 18.—Hospitals and Dispensaries:—(5) Contributions to private institutions. The increase under this head is due to the following additional grants for the next year:—

	Rs.
(1) Grant to St. Philomena's Hospital for one full year ...	1.800
(2) Grant to the Mysore State Temperance Federation	120
	1,920

I. D. Public Health—Ordinary—Page—24 Public Conservancy—Silt carts;—The increased provision in the budget for 1941—42 is due to the inclusion of 4 additional silt carts for the next year sanctioned by the M. C. in their resolution No. 14 dated the 30th January 1941.

I. D. Public Health—Ordinary—Pages 24 and 25—Removal of night soil, sewage and urine and sale of rubbish—The manure sales for next year resulted in a slight fall of Rs. 20 as compared with last year's which was less by Rs. 380 than the preceding year.

I. D. Public Health—Ordinary—Page 26—(3) Laboratory. The following provision made for the special staff for seizure of

articles exposed for sale on the roadside have been continued for the next year also :—

Salaries and allowances	...	Rs. 1,128.
Contingencies	...	,, 650.

I. D. Public Health-Ordinary-Page 26.—Maternity and Child Welfare (a) Staff :—The increased provision in the Budget for the next year is due to the increased scale of pay for the Lady Health Visitors and the appointment of one additional Health Visitor-vide M. C's. resolution No. 2 dated the 19th December 1940.

I. D. Public Health-Ordinary-Water Supply-Pages 30 to 33 :—According to the figures in the Revised Budget Estimates of the current year the deficit under Water Supply comes to Rs. 8,448, which has been provided for from the Revenue Account.

In the case of the Budget Estimates for 1941—42, the deficit comes to Rs. 5,122 which has to be met from the Revenue Account.

II Remunerative Enterprises-Ordinary-1. Market-Market fees-Page 39.

The bid for the Ulsoor Market for the next year was only Rs. 30 against Rs. 100 for the current year. It was again resold and the revised figure is Rs. 80. The figure in the budget has been raised by Rs. 50.

The squatting pitches were sold for Rs. 2,550 for next year against Rs. 2,850 for the current year.

II. Remunerative Enterprises—Ordinary—2. Slaughter Houses. Staff—Pay and allowances—Page 38 :—The increase in the Budget for 1941—42 is due to the appointment of additional staff viz. One Veterinary Assistant in lieu of one Sanitary Overseer, 2 peons and 4 sweepers in accordance with M. C's resolution No. 5 dated the 27th June 1940.

11. Remunerative Enterprises—Ordinary—2. Slaughter Houses-pages 38 & 39 :—The provisions made both on the receipt and expenditure side are in accordance with the contracts for slaughtering and transport of meat carcasses.

The figure of Rs. 1,200 against "Sale of Blood" is the bid at the first auction. As a result of resale the bid went up to Rs. 3,300, the increase being Rs. 2,100. The figure in the Budget has been revised accordingly.

11. Remunerative Enterprises—Ordinary—Page 41—Cart stand fees—There is an increase of Rs. 530 in the bid amount for the next year over that of the current year's.

II. Remunerative Enterprises—D. Land Development—Rent from other Municipal Buildings:—The slight decrease under this head in the Budget for 1941—42 is due to the fall in the sale amounts of the Cattle Sheds at Blackpally and Robertson Road.

III. Revenue Account—Page 46—Salaries and Allowances:—A provision of Rs. 1,471 has been made under this head in the budget for 1941—42 for payment of bonus to the Secretary, Tax Inspectors and Bill Collectors for the additional work involved in connection with the revision of assessment of rented buildings in accordance with M. C's resolution No 10 dated the 30th January 1941.

III. Revenue Account—Page 47—Property Tax.—The increased provisions in the Revised Budget Estimate and the Budget for the next year are due to the general revision mentioned above.

Town Duties:—The increases in the Revised Budget Estimate and the Budget for 1941—42 are based on the actuals of the current year.

The Surplus and Rent from Settlements Accounts are appended to the Budget, together with the necessary statements or details showing the items of works provided from those accounts.

In the Revised Budget Estimates of the current year, a sum of Rs. 48,825 has been provided from the Surplus Account with the sanction of the Municipal Commission or the Hon'ble the Resident as detailed against each item in the separate statement appended to the Budget Estimates at pages 56 to 63. Even then the closing balance of the Surplus Account in the Revised Estimates is Rs. 1,73,389 against the opening balance of Rs. 1,85,753 (page 55 of the Budget). This will actually be increased by at least Rs. 3,942 as the Municipal Commission has decided to defer the execution of extensions to Ookadpalyam School owing to the War.

The receipts from purely Municipal Funds in the Revised Budget Estimates are Rs. 11,08,782. The expenditure provided from the above is Rs. 10,72,321, leaving a balance of Rs. 36,461 which has been transferred to the Surplus Account.

In the Budget Estimate for 1941—42 the expenditure provided for from purely Municipal Funds is Rs. ~~11,00,958~~ 11,01,258 against the receipt of Rs. 11,10,710, the balance being Rs. ~~9,752~~ 9,452 which has been transferred to the Surplus Account. The increase under "Sale of blood" increased this balance by Rs. 2,100 but we have made additional provisions in the Budget and Revised Budget for the following items :—

BUDGET :—

	Rs.
(1) Constructing latrines and urinals with flushing arrangement in the compound of the Butchers' Mosque on Old Poor House Road ...	747 or 750
(Vide Secretary to the Hon'ble the Resident's No. R. F. 489—40/G. & A., dated 30th January 1941).	

REVISED BUDGET :—

(2) Additional allotment for Law Charges...	100

The closing balance in the Surplus Account in the Budget for 1941—42 is Rs. ~~1,38,711~~ 1,38,411, which is Rs ~~68,711~~ 63,411 in excess of the minimum balance of Rs. 75,000 fixed in Rule 3-A of the Budget Rules contained in the Hon'ble the Resident's Notification No. 68 dated the 2nd June 1938.

2. The following is a review of some of the noticeable variations under the several heads :—

The small increases under "Salaries and Allowances" are due to increments.

I—D. PUBLIC HEALTH—ORDINARY—PAGE 18.

The following provisions have been made in the Budget for 1940—41 :—

The slight increase under this head is due to the increased bids for the Ulsoor Market and Squatting Pitches. The highest bid for the Ulsoor Market was Rs. 100 against Rs. 25 for the current year, and for Squatting Pitches Rs. 2,850 against Rs. 2,300 for the current year. The auction amounts are pending confirmation.

II. REMUNERATIVE ENTERPRISES—ORDINARY, SLAUGHTER HOUSE FEES.

The amount provided in the Budget for 1940—41, namely Rs. 41,000 is only a provisional figure. The sum of Rs. 2,600 provided for "Sale of Blood" is the auction figure pending confirmation.

II. REMUNERATIVE ENTERPRISES—ORDINARY—CART STAND FEES—PAGE 41.

Owing to the low bids last year, the Cart Stand is being managed departmentally this year. The bid amount for the next year is Rs. 1,530 which is pending confirmation by the Municipal Commission.

II. REMUNERATIVE ENTERPRISES—ORDINARY—D. LAND DEVELOPMENT—RENT FROM OTHER MUNICIPAL BUILDINGS.

The slight decrease under this head in the Budget for 1940—41 is due to the fall in the sale amounts of the Cattle Sheds at Puduparacherry, Blackpally and Robertson Road to the tune of Rs. 340.

III. REVENUE ACCOUNT—PAGE 47. PROPERTY TAX.

The increased provision against this head is due to the general revision of rented buildings during this year, which will result in larger revenues during the next year.

DUTY ON TRANSFER OF PROPERTY.

The provision, namely Rs. 15,000 in the Revised Budget is based on the actuals for 8 months.

The Surplus and Rent from Settlements Accounts are appended to the Budget, together with the necessary statements or details showing the items of works provided for those accounts.

In the Revised Budget Estimates of the current year, a sum of Rs. 82,041 has been provided from the Surplus Account with the sanction of the Municipal Commission or the Hon'ble the Resident, as detailed against each item in the separate statement appended to the Budget Estimates at pages 56 to 59. Even then the closing balance of the Surplus Account in the Revised Budget Estimates is Rs. 1,33,700 against the opening balance of Rs. 2,04,241 (Page 55 of the Budget).

The receipts from purely Municipal Funds in the Revised Budget Estimates are Rs. 10,65,138. The expenditure provided from the above is Rs. 10,48,638, leaving a balance of Rs. 16,500, which has been transferred to the Surplus Account.

In the Budget Estimates of 1940-41 the expenditure provided for from purely Municipal Funds is Rs. 10,56,732 against the receipt of Rs. 10,64,550 the balance being Rs. 7,818, which has been transferred to the Surplus Account.

The items detailed at page 60 of the Budget, to the tune of Rs. 15,467 have been provided for from the Surplus Account in the Budget for 1940-41. The closing balance in the Surplus Account in the Budget for 1940-41 will, therefore, be Rs. 1,31,051, from which the items detailed at page 61 of the Budget have to be provided after approval by the Municipal Commission and the Honourable the Resident, as the case may be. The closing balance in the Surplus Account will still be Rs. 1,24,301, that is Rs. 49,301 in excess of the minimum balance of Rs. 75,000 fixed in Rule 3-A of the Budget Rules contained in the Hon'ble the Resident's Notification No. 68 dated the 2nd June 1938.
